

# Speaking What Is True

## *A Mythic Retreat Guided by the Folktale of Rumpelstiltskin, Horses, Nature, and Inner Wisdom*

**Long ago—and still today—there is a story that lives beneath our lives.**

Join us, to gather for a day outside of ordinary time—  
a day to honor what has been, to bless what is,  
to step forward into what is becoming  
and to embrace the beauty of your life

Inspired by the story of Rumpelstiltskin, and guided by horses and nature,  
we enter a spacious field of freedom that invites you to remember and speak  
what is true for you.

A day of simply being, playing with horses in the pasture, chatting around the  
campfire, strolling through the forest, resting, and reflecting in the ancient rock  
ledges, and sharing sacred knowledge.

A day to remember, reclaim and return to the original story  
that lives in your bones.

Come speak what is true and let the spell be broken

Together we will explore

- The name we once forgot—and are ready to remember
- The truths we learned to hide in order to survive
- The deeper vow that is now asking to be reclaimed
- The life force waiting to be released when truth is spoken
